### HOW YOUR PROTECTION PLAN WORKS

Your Certificate is a contract between You and Us. We will pay for any claim you make which is covered by this Certificate and happens during the period of travel. Unless specifically mentioned the benefits and exclusions within each section, apply to each covered person. Your Certificate does not cover all possible events and expenses.

Certain words have a special meaning as shown under the heading "Definitions".

### YOUR PURCHASE CANCELLATION RIGHTS

Thank you for taking out online travel protection with us. Your Certificate shows the sections of the protection you have chosen, the people

who are covered and any special terms or conditions that may apply. It is very important that you read the whole of this document before you travel and make sure you understand exactly what is and is not covered and what to do if you need to file a claim.

If your purchased plan does not meet your requirements, please notify your issuing agent, broker or contact USA-ASSIST by phone to +1 310 694-8453 or by e-mail at [usa-assist@usa-assist.com](mailto:usa-assist@usa-assist.com) within 10 days of receiving your Certificate for a refund of your premium, but in no instance cancellation will be accepted within 10 days prior to the departure date. Please note that your cancellation rights are no longer valid after this initial 10 day period.

### EXTENSION OF YOUR PLAN

You can ask for an extension of your protection plan anytime before the expiration date of the period of travel shown on your certificate/ID Card. The terms of your extension and the premium rates are subject to approval.

When you request an extension you must complete a form (Extension Request Form) and comply with relevant facts including a health declaration. If you do not comply with the extension form, this may invalidate your request for an extension. The health declaration form can be filled out and submitted on-line with the extension request form.
